JASEM AHMAD ALYOUNES

Beirut, Lebanon | +1 (931) 623-7215 | jasemalyounes@gmail.com

PROFESSIONAL SUMMARY

Software Engineer with a Master's in Web Science and a Bachelor's in Software Engineering. Over 5 years of experience building scalable full-stack applications and managing technical lifecycles at Lazer Net ISP. Specialized in bridging complex enterprise data (Oracle) with modern web architectures. Expert in Odoo 19 development, Systems administration, Technical Support and DevOps practices.

EXPERIENCE

SEP 2024 – PRESNT

INDEPENDENT ERP DEVELOPER

ERP Development: Architected a custom Odoo 19 task management solution featuring manager-level delegation and R&D tracking.

Backend & Frontend: Designed complex XML inherited views and custom list-view actions; utilized Python and PostgreSQL for scalable backend logic.

System Administration: Managed Linux VPS environments, including Nginx reverse proxy setup and SSL/HTTPS deployment.

Automation: Established automated systemd services to ensure high availability and seamless application performance.

DAMASCUS, SYRIA JAN 2019 – SEP 2024

SOFTWARE DEVELOPER / TECHNICAL TEAM LEAD, LAZER NET ISP

Project Leadership: Managed the full technical project lifecycle from requirements analysis to final deployment.

Database Management: Designed and maintained complex relational databases (Oracle/SQL), ensuring data integrity and efficient retrieval.

Stakeholder Reporting: Prepared technical progress reports for senior management, documenting milestones and mitigation strategies.

Risk Assessment: Identified potential technical risks and proposed strategies to ensure project alignment with quality standards.

Infrastructure & Support: provided network infrastructure, hardware/software troubleshooting, and IT support.

EDUCATION

JUNE 2024

MASTER'S DEGREE IN WEB SCIENCE, SYRIAN VIRTUAL UNIVERSITY

OCT 2012

BACHELOR'S DEGREE IN SOFTWARE ENGINEERING, UNIVERSITY OF ALEPPO
